ARB's Single Equality Scheme

Consultation Policy

ARB is committed to consulting with a wide range of key stakeholders, consumer bodies and other organisations to assist in developing its policies.

This consultation process provides the opportunity for interested parties to participate in formulating strong, robust strategies and policies for discharging our statutory responsibilities under the 1997 Architects Act.

Consultation on ARB's Single Equality Scheme

The Architects Registration Board has agreed to hold a consultation exercise following its decision to implement the Single Equality Scheme.

Before formalising the scheme, it is important that we have as wide a range of views as possible, including those from the seldom/lesser heard sectors of the community, to assist the Board in its final consideration and implementation of the Single Equality Scheme.

We would therefore appreciate any views or comments you might have on the proposed Scheme. Please let us have these by no later than **5pm on Friday 26 March 2010**.

Copies of the consultation paper are available to download from our website, www.arb.org.uk/consultations/default.php. A response form is also available, and can be printed or submitted by email. Please follow the links at the foot of the page. Alternatively, you can post your response to:
