Group Members

Stan Lester

Dr Stan Lester has been an independent consultant, researcher and systems developer in professional and work-related education and development since 1993. He has worked on the development of standards and self-regulatory systems in fields ranging from law to landscape architecture and family mediation to heritage conservation.

Bill Hodgson

William Hodgson is an architect and RIBA member. He is a Senior Teaching Fellow at the Bartlett School of Architecture, UCL and is involved in research into alternative methods of providing social housing. Recent projects include an award winning house and office in Shoreditch.

Carol Norton

Carol Norton is an Architect and a Director at Norton Ellis Architects in London, with thirty years' experience of working in the private and public sectors. She has been an ARB Examiner, a member of RIBA Visiting Boards and acted as an Inquirer for the ARB's Investigation Panel.

Damien Day

Damian Day is Head of Education at the General Pharmaceutical Council, the regulator for pharmacy in Great Britain. He is responsible for regulated pharmacy education policy, setting education standards, accrediting education and training courses for pharmacists and pharmacy technicians, commissioning research and running a national registration examination for pharmacists.

Prior to that he worked in a similar role for the Royal Pharmaceutical Society. He has worked for the QAA as an auditor/subject reviewer and has worked for other national regulators in the UK and abroad. For 12 years he worked as an academic and is a musicologist by background.

Group Members

Elena Marco

Elena is an educator, practitioner, senior manager and researcher with a diverse and rich profile, building a top class reputation for the Department of Architecture and the Built Environment at the University of the West of England, Bristol of which she is the Head. While in practice Elena built a strong profile in sustainable design at Feilden Clegg Bradley Studios working on many pioneering and award winning projects, some as part of Europe-wide research initiatives. Now in academia she continues to develop her research interests which focus on the cross-over between health, sustainability and architecture.

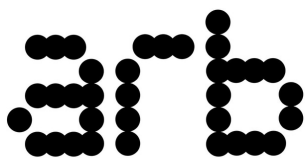

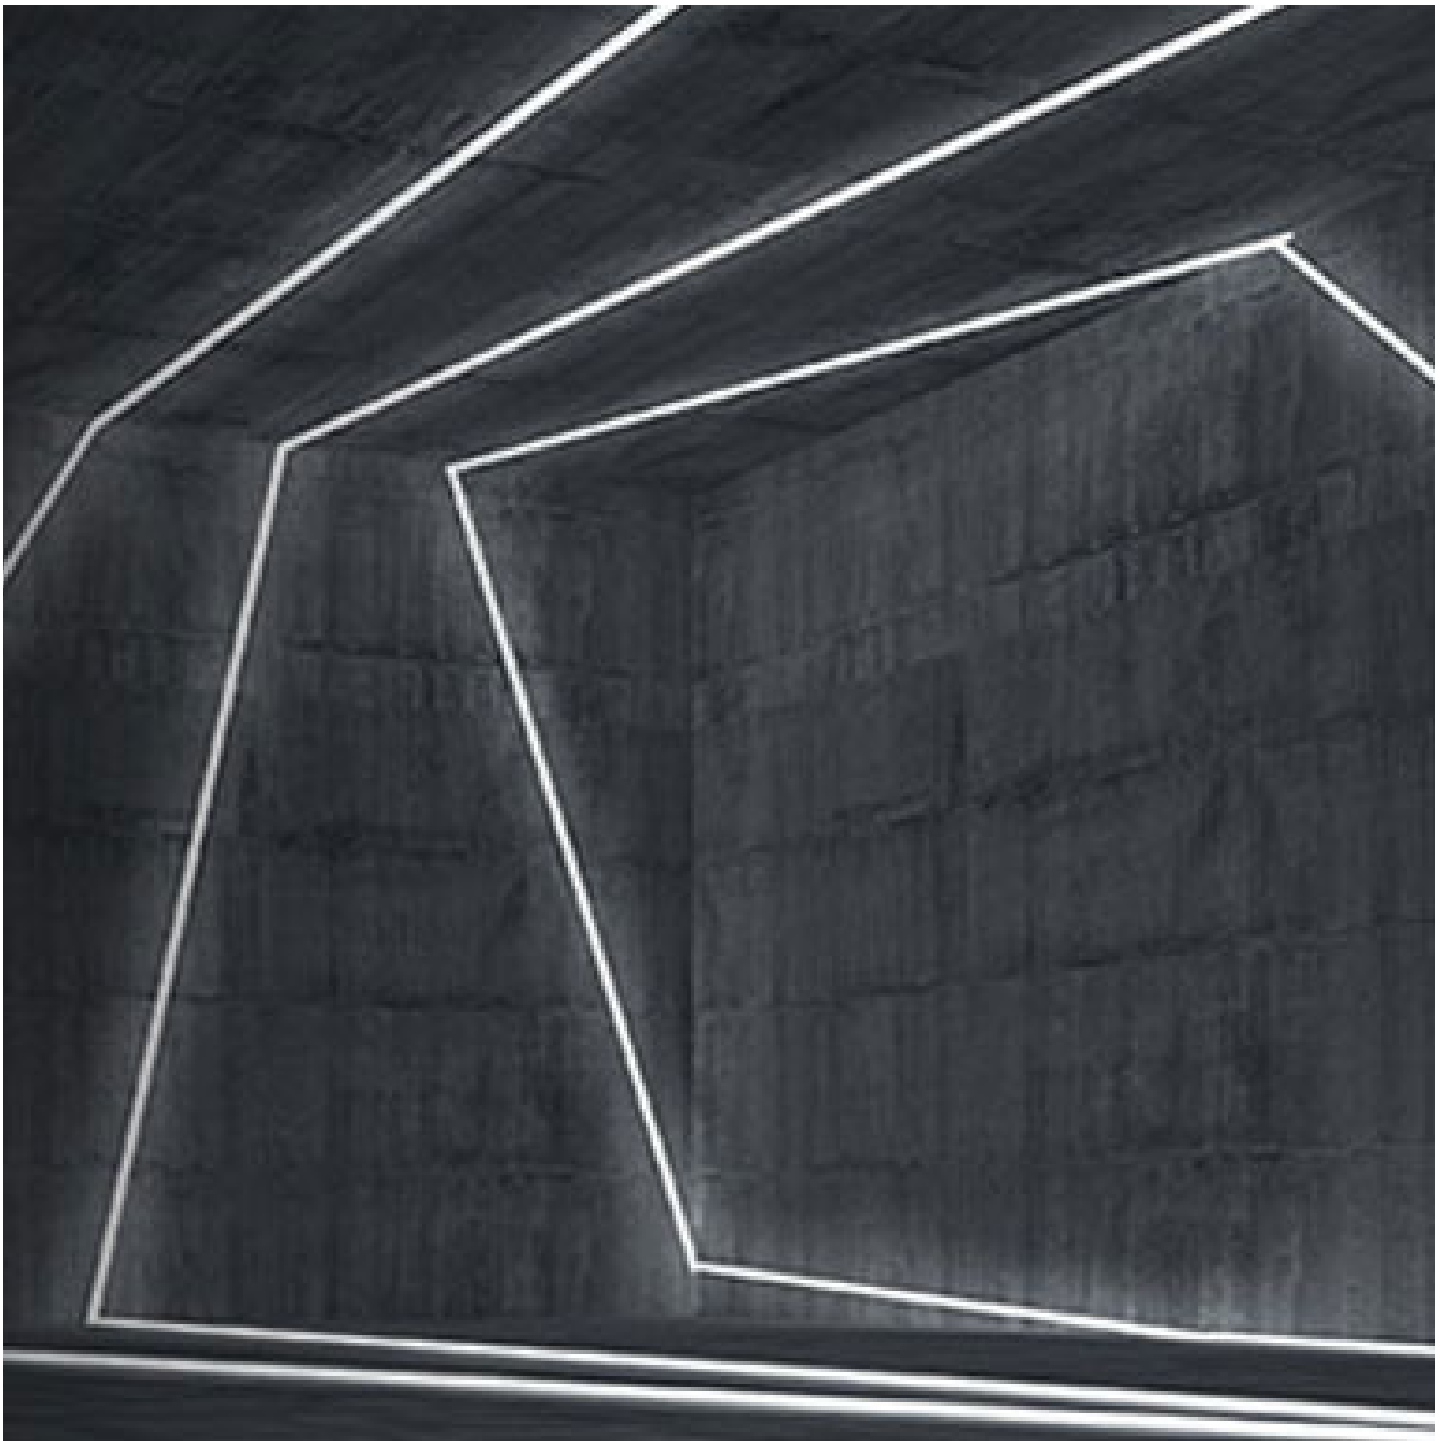

Externally, Elena has acted as a consultant on the Advisory Board Panel as part of the Environmental Design in University Curricula & Architectural Training in Europe (EDUCATE) project, has been selected by the Architects Journal as one of the 20 most influential Women in Sustainable Architecture in the UK. Currently has memberships of the RIBA New Courses Group, RIBA Sustainable Futures Group and is part of the Council of the Standing Conference of Heads of School of Architecture (SCHOSA) and Member of the Council of Heads of Built Environment (CHOBE).

Janet Bohrer

Dr Janet Bohrer has been the Director of Academic Quality and Enhancement at London South Bank University (LSBU) since June 2015. At LSBU she is responsible for the team providing the professional advice to the University about the academic standards and quality of the awards the University makes. Prior to this appointment she was an Assistant Director in the Standards, Quality and Enhancement team at QAA. While at QAA she primarily worked on the development of the UK Quality Code for Higher Education. Before working at QAA, Janet worked at the University of North London and at Sheffield Hallam University.

Stephen Brookhouse

Stephen Brookhouse is a chartered architect and academic. He works at the University of Westminster where he is Professor of Professional Practice in Architecture and interim Dean of the Faculty of Architecture and the Built Environment. Before joining Westminster he worked at a senior level in architectural practice. His current interests include global practice and dispute resolution. He is also an accredited mediator.
