3. Statement from the Chair

The Chair welcomed all to the meeting and drew the attention of the Board to its decisions about the Governance structure agreed at its meeting of 19 July 2019. The Chair explained that the Board would now have to put in place plans over the summer to move these matters forward.

The Chair informed the Board that the structure of the Prescription Committee should take priority. The Chair said that she would be working with the Registrar and Head of Qualifications and Governance, together with the commitment of the Board, to ensure this was done as soon as possible. Given the timeframe it was noted that this might need to be approved by write round if deemed necessary.

Additionally, the Chair advised the Board that now the Board had undertaken most of the work on the governance review, it would be turning its focus to the future strategic direction of the organisation in the autumn, in line with the budget strategy.

4. Minutes of the Open Session meeting of 19 July 2019
